## Enware Engineers Solutions for

Healthcare  
Corrections  
Water Metering

Aged Care  
Education  
Industrial & Workplace

Enware is a trusted specialist plumbing brand within the Australian commercial construction and industrial markets, in operation since 1937. Our focus within the commercial and industrial environments facilitates our pursuit of overcoming more complex solutions for our customers, striving for seamless implementation and ongoing operational excellence.

We are continually engaging with our customers and industry experts, fostering a deep understanding of their unique needs. Our research, design and development team are insight and market driven with a strong technical understanding and rigorous pursuit of innovative advancements. All our solutions are backed with a focus on efficiency and total cost of ownership, not to mention 'gold standard' adherence to local and international regulatory compliance requirements.

At Enware, to complement our locally designed and produced offering, we also seek out and partner with the world's leading brands in the water delivery, water management and industrial safety fields. Our local knowledge and manufacturing capabilities support the fine-tuning required to ensure these world leading brands have what it takes to win in the Australian market, with its unique environmental challenges.

## **Enware Warranty**

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law.

You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage.

You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

Please refer to Enware's website at <https://www.enware.com.au/wp-content/uploads/end069-warranty-statement.pdf> to view our full warranty conditions.

## Your Product Summary

Location	Room Type	Product Code	Product Description	Quantity	Notes
		EP-RK1112	Pressalit Manual Adjustable Height Worktop Frame – Wall Mounted – Length: 1401 – 2000mm (3 brackets)	1
