STRIKE PLATES

STANDARD AND EXTENDED

- Made from 1.5mm 304 stainless steel
- Standard 25.4mm and 32mm lipped strike plates
- Extended 40mm up to 80mm lipped strike plates
- Timber fixing screws supplied

STRIKE PLATES

SPECIFICATIONS

Often strike plates are misplaced or don't suit the frame detail required. Sabre has developed a range of standard and extended lipped strike plates to make it more cost effective to replace or having a strike that may need to be custom made. The range includes standard lip sizes
