## SPECIFICATIONS

When you require quality door furniture for your project or home it's difficult to go past the Sabre R65 lever on rose door furniture. Taking quality to the next level all R65 roses are manufactured from solid investment cast stainless steel with concealed fixing, satisfying those seeking the finer details of design and security and also offering AS1428 compliancy. Whilst the quality of the R65 lever on rose was to meet the needs of commercial applications, the 65mm rose diameter boasts

the advantage of installation on new and existing residential doors with complimenting privacy sets. The Sabre R65 lever rose furniture can be combined with industry leading commercial mortice locks or Sabre's high quality tubular latches and privacy bolts. When it comes to matching accessories, you can choose from the wide selection of Sabre R53 round rose accessories.
