## Warranty

This warranty applies to PAS35 & PFS35 Nylon pivots made by **Angle-Shoe** Products (Registered Business ABN 53 178 368 737) in Canberra A.C.T. Australia and the company's approved resellers. The warranty covers the pivot hinges. This door hardware is also covered by the terms of the Australian Trade Practices Act 2010 and this warranty is in addition to the rights of consumers and in no way reduces those statutory rights. Such goods must be fit for the purpose for which they were designed, tested and sold.

**Angle-Shoe** warrants its products under a five year warranty from date of purchase. The warranty covers the consumer for the replacement of faulty or defective hardware.

**Angle-Shoe** will send the original purchaser replacement hardware if the original is in any way faulty or defective. **Angle-Shoe** does not warrant the removal nor installation costs of the defective product and or its replacement and does not warrant products which have been incorrectly installed, exposed to unusually harsh conditions or loads in excess of those specified for door weights and sizes referenced in the data sheets and other specifications. The goods are not covered if abused or used for purposes other than those for which they were designed. **Angle-Shoe** pivots have been designed and tested for rectangular internal doors with the long length vertical and the pivot axis vertical. **Angle-Shoe** will not be liable for any consequential or incidental damages resulting from or contributed to by the use, installation, performance or failure of the products. The warranty is for the original purchaser against manufacturing defects for as long as that purchaser owns the product.

## WARNING

Please DO NOT use any of the following to clean or coat the original surfaces:

- Abrasive or harsh cleaners such as ammonia or chlorine bleach
- Concentrated detergents, anti-grease cleaners or solvents which may dissolve the lubricant
- Metal scouring pads (these products can scratch and discolour the hardware surfaces)
