Lose Your Keys. For Good.

Designed to suit the Australian market, the Unity Entrance Lock achieves patented digital dead locking technology, locking both the internal and external handles of your lock.

Meeting Australian lock standards AS4145.2:2008, SL8 and D8, you can be sure that the Unity Entrance Lock meets your security needs.

Lock alert indications shows users the lock mode via a built in LED. The locks has three modes, Unlock (Green), Locked (Yellow) and Secure (Red).

Controllable by either the Yale Home APP, key card or Yale Smart Keypad*, the Unity Entrance Lock provides you with a range of options to control your lock. The Yale Home APP allows you to lock and unlock your door, grant access to others and keep track of visitor access, all via your smartphone. Grant users one time access, access for a set period of time or a date range, avoiding any lost keys or having your keys stolen or
