dormakaba TS93G Push Side Door Closer - Silver - Size 1-5

SKU DOTS93G-N-EN1-5

MPN43100501

DESCRIPTION

The TS 93 cam-action door closer system provides a high-quality architectural solution for all project application requirements. The proven dormakaba technology, featuring the heart-shaped cam, ensures exceptional ease of opening.

The TS 93 series comprises a modular system, enabling just a few door closer models to be combined with various slide channels to meet virtually every conceivable functional requirement. Doors of different designs can be equipped for a wide range of applications.

Size adjustable from 1 to 5
Cam-action mechanism
Fire-rated
Highly recommend the purchase of a cushioned door stop, **dormakaba Door Closers TS92 and TS93 Limiting Stop Only**, especially for fire doors
Push-side mounting only
For push-side mounting, the **dormakaba Door Closers TS92-TS93 Angle Bracket Only - Silver** is often purchased and used
Adjustable back-check, closing, and latching speeds
Delayed action
Tested to EN1154
Hold-open option available by purchasing **dormakaba Door Closers TS92 and TS93 Hold Open Mechanism Only**
Note: Door closer is not suitable for fire doors if the hold-open unit is fitted
