DESCRIPTION

SABRE Liquid Soap Dispenser - Vertical

The SABRE range of liquid soap dispensers have been developed to meet the demand for a suitable liquid soap dispenser that can be used within commercial projects. SABRE liquid soap dispensers are created with a sleek modern design in mind and are made from Stainless Steel with a satin finish.

The easy to use and dispensing system has been cycle tested to exceed 500,000 operations and has been designed with a lockable lid to prevent tampering.

The 1.2L capacity dispenser comes standard with a plastic insert to help protect against corrosive soaps. Its complementing design in both horizontal and vertical layouts are to ensure they suit a variety of commercial applications when required.

* Not suitable with any alcohol or iodine based soaps or liquids.
