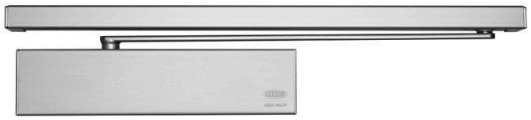
Lockwood 2615 CAM Action Door Closer with Slide Arm - Silver - Size 1-5



SKU LW2615DASIL

MPN2615DASIL

DESCRIPTION

Lockwood 2615 Cam Action Door Closer Silver

The Lockwood 2615 Series is a nonhanded CAM Action Door Closer.
Due to the CAM design this premium door closer is light to open but still strong enough to close a door.
The Lockwood 2615 Door Closer can be adjusted to meet the requirements of a light door opening resistance and is ideal for both interior and exterior doors. The Lockwood 2615 is light to open, but its adjustable closing force is high enough for heavy duty applications. For disabled toilet applications where a breakout feature is required the double action of the mechanism allows the door to be operated in the opposite direction for easy access into the room.
One model (2615) covers right hand and left hand applications, pull side/push side applications and also features an adjustable arm height.
The 2615 has a very high efficiency of 70% - 80%.

Power EN adjustable 1 to 5, size 1 = 20kg/750mm wide to size 5 = 100kg/1250mm wide
Back check (BC) Adjustable
Hold-open can be set at any angle up to 120° of opening (optional purchase LW2616-152)
Cover formed metal cover
Cast aluminium body manufactured from high-performance silicon alloy
Mechanism CAM action
Mounting pull side, push side and over-door mounting
Valves two pressure relief valves are a standard feature to protect against abuse
Delayed Action Adjustable
Closing Speed Adjustable
Latching Speed Adjustable
Some of Lockwood 2616 and 2615 door closer parts are interchangeable, not all but some
