

Raven TR025 Threshold Access Ramp 25mm High - 200 x 1010mm - Black

SKU RP-TR025

MPNTR025

DESCRIPTION

Raven Threshold Access Ramps are ideal for users of wheel chairs, walking frames, electric scooters and hand trolleys; anyone that regularly traverses tripping hazards at doorways or abrupt surface transitions around the home or in the work place.

Made from slip resistant recycled rubber, Raven Threshold Access Ramps will be welcomed by home owners, building occupiers, facility managers and OH&S personnel who recognise the need for a permanent and inexpensive retrofit solution to assist access and mobility in the home, at work or in the commercial environment. Until now, the problem involved a trade's person, the use of messy cement, fabricated metal plate or plywood to make and install a threshold access ramp. The new DIY alternative is the Raven Threshold Access Ramp. Simply lay the ramp in place or permanently fix with builders adhesive. Raven Threshold Access Ramps are extremely durable, will last for years and require no maintenance.

Available in two convenient ramp heights: 25mm (model TR025) and 50mm (model TR050) - gradient 1:8 (front).

The TR025 & TR050 are retrofit threshold access ramps, designed to help upgrade non-compliant doorways to meet Australian standard AS1428.1, 10.5. When a doorway has a rise height above 35mm maximum, the TR050 becomes a user determined solution. A deemed to satisfy compliance if required should be sort from a building engineer or access consultant.

SPECIFICATION

MPN	TR025
Brand	Raven
Product Width	200mm
Product Height	25mm
Product Length	1010mm
Product Finish or Colour	Black (BLK)
Product Material	Rubber
Includes Fixing Screws	No
AS1428.1 Compliant	Yes
Fire Tested	No
Acoustic Rated to AS1191 and ISO140.3	No
Product Warranty	2 Years
