

# Yale Simplicity Tubular Latch - Latch Only - Satin Stainless Steel - 60mm

SKU LWYSH1LATCH

MPNYSH1LATCH

## DESCRIPTION

### Yale Simplicity Latch Stainless Steel

The Yale Simplicity® Series door furniture is finished in 304 grade stainless steel making it ideally suited to compliment modern apartment interiors. Conforming to the specific requirements of multi-residential developments, the Simplicity Series includes 2 hour fire rating and features two AS1428.1 compliant lever options in both passage and privacy configurations. The Privacy Lever Sets come complete with privacy latches. The Passage Lever Sets are sold separately from the passage latches for use with both tubular latches and mortice locks. Standard turn knobs and oval cylinder escutcheons are available.

### Application

Suitable for use in multi-residential developments.  
Designed for use with Simplicity passage lever sets.

### Dimensions

Faceplate - 57mm L x 25.4mm W

Backset - 60mm

### Materials

All visible surfaces 304 stainless steel

### Fire Rated

Yale Simplicity Series Leversets have been successfully tested with Yale Simplicity Mortice Locks up to 2 hours with a fire rated Lockwood mortice lock on fire door assemblies (depending on type of doorset) in accordance with Australian Standard AS1905.1:2005, Fire Resistant Doorsets.

### AS1428.1

The range includes AS1428.1 compliant levers.
